A year of exciting change

The East Texas Stock Horse Association (ETXSH) has turned over a new leaf, and 2025 brings with it much change. ETXSH is formally taken over by a nine-member Governing Board of Directors voted on by the Members, who are made up of business and equestrian professionals. We are also now a Nonprofit Organization focused on our mission to preserve and advance the heritage of stock horse traditions.

MISSION

ETXSH is on a mission to promote and preserve the stock horse traditions in North & East Texas through education, competition, and community engagement. We strive to support riders of all skill levels, fostering a love for the sport while encouraging excellence, sportsmanship, and the development of responsible horsemanship. By

organizing events, offering resources, and building partnerships, we aim to create a welcoming environment for all equine enthusiasts.
